

Privacy Notice & Third Party Websites Consent

Privacy Notice

The Department of Education and Training is collecting your personal information on this form in order to obtain consent for disclosure of a student's personal information to facilitate registration and use of third party web based software identified on the form. The information will be used and disclosed by authorised school employees for the purpose outlined on the form. Student personal information collected on this may also be used or disclosed to third parties where authorised or required by law. This information will be stored securely. If you wish to access or correct any of the personal student information on this form or discuss how it has been dealt with, please contact your student's school in the first instance.

Dear Parents and Carers,

The use of web based educational resources has risen steadily over the last decade and are increasingly being used by teachers across Queensland to improve student learning outcomes.

Our school and teachers make decisions about the best technology to meet the needs of our students. Sometimes it is beneficial for students to utilise services provided by third party web based providers.

Wynnum West State School wishes to utilise the third party web based service providers listed below to aid student learning. For your child to use the service, we will need to register them as a user. Registering with these providers requires student personal information to be disclosed to the provider of the service. In the case of the services outlined below, they are private companies that are hosted in and outside of Australia. Outside of Australia means that data that is entered to register for these sites will be stored on servers that are not based in Australia and therefore are not bound by Queensland's privacy laws.

Registration may include disclosing the following information about your student:

- Student Name
- Age
- Year / Class group
- Class Teacher
- Student's Education Queensland email address

Students may also use photos of student work and class activities as they create products on some of these sites. We need your permissions for the registration and use of these sites by your student. *Note: It is not compulsory for you to provide this consent – If you decide not to provide consent, this will not adversely affect academic achievement, or any relationships with teachers or the school.*

Before you complete this consent form, it is important that you understand the reasons that these websites collect this information, what will be done with it, who else may have access to it and where the data is stored.

This information can be found in the hyperlinks below referring to each website's terms and conditions and / or privacy policy.

Please read these and ensure that you understand the implications of using this service before giving your consent. If you have any queries around the storage of student's information, please feel free to contact the school. Below are the third party web based service provider/s:

Name of Provider:	ClassDojo
Type of Service:	Communication platform that gives opportunities for teachers to encourage students in class and engage parents. In the classroom, teachers use ClassDojo to give student 'feedback points' for displaying critical skills or strengths.
