

PAYMENT OF STUDENT INVOICES

There are several ways to pay for your children's invoices. We encourage you to pay online using B Point as it's the most efficient and convenient way to pay and reduced the amount of time taken to process your payment. B Point will become mandatory soon, as we have been advised we are not to take credit card details over the phone or give out the school's bank account details. You will either receive your invoice by email or by paper. Please ensure the officer has your current email address on file. Your invoice has vital information required to pay online.

B POINT – Using link from invoice

The B Point **web link** at the bottom of the invoice will be hyperlinked with information from OneSchool for parents to click and choose the amount they would like to pay.

Clicking the link on your invoice will take you to the payment website. Your details will be pre-filled, making it easier to pay the right amount.
